“(3) For the purpose of providing reimbursements for tax liability resulting from payments under paragraph (2) on behalf of an individual, the Secretary—

“(A) in addition to such payments, may make payments to the individual in an amount not less than 20 percent and not more than 39 percent of the total amount of loan repayments made for the taxable year involved; and

“(B) may make such additional payments as the Secretary determines to be appropriate with respect to such purpose.”.

(2) The amendment made by paragraph (1) shall apply only with respect to contracts under section 108 of the Indian Health Care Improvement Act entered into on or after the date of enactment of this Act.

(h) STAFFING NEEDS.—Section 108(k) (25 U.S.C. 1616a(k)) is amended to read as follows:

“(k) The Secretary, in assigning individuals to serve in Indian health programs pursuant to contracts entered into under this section, shall—

“(1) ensure that the staffing needs of Indian health programs administered by an Indian tribe or tribal or health organization receive consideration on an equal basis with programs that are administered directly by the Service; and

“(2) give priority to assigning individuals to Indian health programs that have a need for health professionals to provide health care services as a result of individuals having breached contracts entered into under this section.”.

(i) ANNUAL REPORT.—Subsection (n) of section 108 is amended to read as follows:

“(n) The Secretary shall submit to the President, for inclusion in each report required to be submitted to the Congress under section 801, a report concerning the previous fiscal year which sets forth—

“(1) the health professional positions maintained by the Service or by tribal or Indian organizations for which recruitment or retention is difficult;

“(2) the number of Loan Repayment Program applications filed with respect to each type of health profession;

“(3) the number of contracts described in subsection (f) that are entered into with respect to each health profession;

“(4) the amount of loan payments made under this section, in total and by health profession;

“(5) the number of scholarship grants that are provided under section 104 with respect to each health profession;

“(6) the amount of scholarship grants provided under section 104, in total and by health profession;

“(7) the number of providers of health care that will be needed by Indian health programs, by location and profession,

“SCHOLARSHIP AND LOAN REPAYMENT RECOVERY FUND

25 USC 1616a-1.

“SEC. 108A. (a) There is established in the Treasury of the United States a fund to be known as the Indian Health Scholarship and Loan Repayment Recovery Fund (hereafter in this section referred to as the ‘Fund’). The Fund shall consist of such amounts as may be appropriated to the Fund under subsection (b). Amounts appropriated for the Fund shall remain available until expended.

“(b) For each fiscal year, there is authorized to be appropriated to the Fund an amount equal to the sum of—

“(1) the amount collected during the preceding fiscal year by the Federal Government pursuant to—

“(A) the liability of individuals under subparagraph (A) or (B) of section 104(b)(5) for the breach of contracts entered into under section 104; and

“(B) the liability of individuals under section 108(l) for the breach of contracts entered into under section 108; and

“(2) the aggregate amount of interest accruing during the preceding fiscal year on obligations held in the Fund pursuant to subsection (d) and the amount of proceeds from the sale or redemption of such obligations during such fiscal year.

“(c)(1) Amounts in the Fund and available pursuant to appropriation Acts may be expended by the Secretary, acting through the Service, to make payments to an Indian tribe or tribal organization administering a health care program pursuant to a contract entered into under the Indian Self-Determination Act—

“(A) to which a scholarship recipient under section 104 or a loan repayment program participant under section 108 has been assigned to meet the obligated service requirements pursuant to sections; and

“(B) that has a need for a health professional to provide health care services as a result of such recipient or participant having breached the contract entered into under section 104 or section 108.

“(2) An Indian tribe or tribal organization receiving payments pursuant to paragraph (1) may expend the payments to recruit and employ, directly or by contract, health professionals to provide health care services.

“(d)(1) The Secretary of the Treasury shall invest such amounts of the Fund as such Secretary determines are not required to meet current withdrawals from the Fund. Such investments may be made only in interest-bearing obligations of the United States. For such purpose, such obligations may be acquired on original issue at the issue price, or by purchase of outstanding obligations at the market price.

Investments.

“(2) Any obligation acquired by the Fund may be sold by the Secretary of the Treasury at the market price.”.

Title I of the Act (as amended by section 104 of this Act) is amended by adding at the end the following new section:

“COMMUNITY HEALTH AIDE PROGRAM FOR ALASKA

“SEC. 119. (a) Under the authority of the Act of November 2, 1921 (25 U.S.C. 13; popularly known as the Snyder Act), the Secretary shall maintain a Community Health Aide Program in Alaska under which the Service—

25 USC 1616l.

“(1) provides for the training of Alaska Natives as health aides or community health practitioners;

“(2) uses such aides or practitioners in the provision of health care, health promotion, and disease prevention services to Alaska Natives living in villages in rural Alaska; and

“(3) provides for the establishment of teleconferencing capacity in health clinics located in or near such villages for use by community health aides or community health practitioners.

“(b) The Secretary, acting through the Community Health Aide Program of the Service, shall—

“(1) using trainers accredited by the Program, provide a high standard of training to community health aides and community health practitioners to ensure that such aides and practitioners provide quality health care, health promotion, and disease prevention services to the villages served by the Program;

“(2) in order to provide such training, develop a curriculum that—

“(A) combines education in the theory of health care with supervised practical experience in the provision of health care;

“(B) provides instruction and practical experience in the provision of acute care, emergency care, health promotion, disease prevention, and the efficient and effective management of clinic pharmacies, supplies, equipment, and facilities; and

“(C) promotes the achievement of the health status objectives specified in section 3(b);

“(3) establish and maintain a Community Health Aide Certification Board to certify as community health aides or community health practitioners individuals who have successfully completed the training described in paragraph (1) or can demonstrate equivalent experience;

“(4) develop and maintain a system which identifies the needs of community health aides and community health practitioners for continuing education in the provision of health care, including the areas described in paragraph (2)(B), and develop programs that meet the needs for such continuing education;

“(5) develop and maintain a system that provides close supervision of community health aides and community health practitioners; and

“(6) develop a system under which the work of community health aides and community health practitioners is reviewed and evaluated to assure the provision of quality health care, health promotion, and disease prevention services.”.

SEC. 112. MATCHING GRANTS TO TRIBES.

Title I of the Act (as amended by section 111 of this Act) is amended by adding at the end the following new section:

“MATCHING GRANTS TO TRIBES FOR SCHOLARSHIP PROGRAMS

“SEC. 120. (a)(1) The Secretary shall make grants to Indian tribes and tribal organizations for the purpose of assisting such tribes and tribal organizations in educating Indians to serve as health professionals in Indian communities.

“(2) Amounts available for grants under paragraph (1) for any fiscal year shall not exceed 5 percent of amounts available for such fiscal year for Indian Health Scholarships under section 104.

“(3) An application for a grant under paragraph (1) shall be in such form and contain such agreements, assurances, and information as the Secretary determines are necessary to carry out this section.

“(b)(1) An Indian tribe or tribal organization receiving a grant under subsection (a) shall agree to provide scholarships to Indians pursuing education in the health professions in accordance with the requirements of this section.

“(2) With respect to the costs of providing any scholarship pursuant to paragraph (1)—

“(A) 80 percent of the costs of the scholarship shall be paid from the grant made under subsection (a) to the Indian tribe or tribal organization; and

“(B) 20 percent of such costs shall be paid from non-Federal contributions by the Indian tribe or tribal organization through which the scholarship is provided.

“(3) In determining the amount of non-Federal contributions that have been provided for purposes of subparagraph (B) of paragraph (2), any amounts provided by the Federal Government to the Indian tribe or tribal organization involved or to any other entity shall not be included.

“(4) Non-Federal contributions required by subparagraph (B) of paragraph (2) may be provided directly by the Indian tribe or tribal organization involved or through donations from public and private entities.

“(c) An Indian tribe or tribal organization shall provide scholarships under subsection (b) only to Indians enrolled or accepted for enrollment in a course of study (approved by the Secretary) in one of the health professions described in section 104(a).

“(d) In providing scholarships under subsection (b), the Secretary and the Indian tribe or tribal organization shall enter into a written contract with each recipient of such scholarship. Such contract shall—

“(1) obligate such recipient to provide service in an Indian health program (as defined in section 108(a)(2)(A)), in the same service area where the Indian tribe or tribal organization providing the scholarship is located, for—

“(A) a number of years equal to the number of years for which the scholarship is provided (or the part-time equivalent thereof, as determined by the Secretary), or for a period of 2 years, whichever period is greater; or

“(B) such greater period of time as the recipient and the Indian tribe or tribal organization may agree;

“(2) provide that the amount of such scholarship—

“(A) may be expended only for—

“(i) tuition expenses, other reasonable educational expenses, and reasonable living expenses incurred in attendance at the educational institution; and

“(ii) payment to the recipient of a monthly stipend of not more than the amount authorized by section 338A(g)(1)(B) of the Public Health Service Act (42 U.S.C. 254m(g)(1)(B)), such amount to be reduced pro rata (as determined by the Secretary) based on the number of hours such student is enrolled; and

“(B) may not exceed, for any year of attendance for which the scholarship is provided, the total amount required for the year for the purposes authorized in subparagraph (A);

“(3) require the recipient of such scholarship to maintain an acceptable level of academic standing (as determined by the educational institution in accordance with regulations issued by the Secretary); and

“(4) require the recipient of such scholarship to meet the educational and licensure requirements necessary to be a physi-

cian, certified nurse practitioner, certified nurse midwife, or physician assistant.

“(e)(1) An individual who has entered into a written contract with the Secretary and an Indian tribe or tribal organization under subsection (d) and who—

“(A) fails to maintain an acceptable level of academic standing in the educational institution in which he is enrolled (such level determined by the educational institution under regulations of the Secretary),

“(B) is dismissed from such educational institution for disciplinary reasons,

“(C) voluntarily terminates the training in such an educational institution for which he is provided a scholarship under such contract before the completion of such training, or

“(D) fails to accept payment, or instructs the educational institution in which he is enrolled not to accept payment, in whole or in part, of a scholarship under such contract, in lieu of any service obligation arising under such contract, shall be liable to the United States for the Federal share of the amount which has been paid to him, or on his behalf, under the contract.

“(2) If for any reason not specified in paragraph (1), an individual breaches his written contract by failing either to begin such individual's service obligation required under such contract or to complete such service obligation, the United States shall be entitled to recover from the individual an amount determined in accordance with the formula specified in subsection (l) of section 108 in the manner provided for in such subsection.

“(3) The Secretary may carry out this subsection on the basis of information submitted by the tribes or tribal organizations involved, or on the basis of information collected through such other means as the Secretary determines to be appropriate.

“(f) The recipient of a scholarship under subsection (b) shall agree, in providing health care pursuant to the requirements of subsection (d)(1)—

“(1) not to discriminate against an individual seeking such care on the basis of the ability of the individual to pay for such care or on the basis that payment for such care will be made pursuant to the program established in title XVIII of the Social Security Act or pursuant to the program established in title XIX of such Act; and

“(2) to accept assignment under section 1842(b)(3)(B)(ii) of the Social Security Act for all services for which payment may be made under part B of title XVIII of such Act, and to enter into an appropriate agreement with the State agency that administers the State plan for medical assistance under title XIX of such Act to provide service to individuals entitled to medical assistance under the plan.

“(g) The Secretary may not make any payments under subsection (a) to an Indian tribe or tribal organization for any fiscal year subsequent to the first fiscal year of such payments unless the Secretary determines that, for the immediately preceding fiscal year, the Indian tribe or tribal organization has complied with requirements of this section.”

SEC. 303. AMBULATORY CARE FACILITIES GRANT PROGRAM.

Section 306 of the Act (25 U.S.C. 1636) is amended to read as follows:

“GRANT PROGRAM FOR THE CONSTRUCTION, EXPANSION, AND MODERNIZATION OF SMALL AMBULATORY CARE FACILITIES

“SEC. 306. (a)(1) The Secretary, acting through the Service, shall make grants to tribes and tribal organizations for the construction, expansion, or modernization of facilities for the provision of ambulatory care services to eligible Indians (and noneligible persons as provided in subsection (c)(1)(C)). A grant made under this section may cover up to 100 percent of the costs of such construction, expansion, or modernization. For the purposes of this section, the term ‘construction’ includes the replacement of an existing facility.

“(2) A grant under paragraph (1) may only be made to a tribe or tribal organization operating an Indian health facility (other than a facility owned or constructed by the Service, including a facility originally owned or constructed by the Service and transferred to a tribe or tribal organization) pursuant to a contract entered into under the Indian Self-Determination Act.

“(b)(1) A grant provided under this section may be used only for the construction, expansion, or modernization (including the planning and design of such construction, expansion, or modernization) of an ambulatory care facility—

“(A) located apart from a hospital;

“(B) not funded under section 301 or section 307; and

“(C) which, upon completion of such construction, expansion, or modernization will—

“(i) have a total capacity appropriate to its projected service population;

“(ii) serve no less than 500 eligible Indians annually;

and

“(iii) provide ambulatory care in a service area (specified in the contract entered into under the Indian Self-Determination Act) with a population of not less than 2,000 eligible Indians.

“(2) The requirements of clauses (ii) and (iii) of paragraph (1)(C) shall not apply to a tribe or tribal organization applying for a grant under this section whose tribal government offices are located on an island.

“(c)(1) No grant may be made under this section unless an application for such a grant has been submitted to and approved by the Secretary. An application for a grant under this section shall be submitted in such form and manner as the Secretary shall by regulation prescribe and shall set forth reasonable assurance by the applicant that, at all times after the construction, expansion, or modernization of a facility carried out pursuant to a grant received under this section—

“(A) adequate financial support will be available for the provision of services at such facility;

“(B) such facility will be available to eligible Indians without regard to ability to pay or source of payment; and

“(C) such facility will, as feasible without diminishing the quality or quantity of services provided to eligible Indians, serve noneligible persons on a cost basis.

“(2) In awarding grants under this section, the Secretary shall give priority to tribes and tribal organizations that demonstrate—

“(A) a need for increased ambulatory care services; and

“(B) insufficient capacity to deliver such services.

“(d) If any facility (or portion thereof) with respect to which funds have been paid under this section, ceases, at any time after completion of the construction, expansion, or modernization carried out with such funds, to be utilized for the purposes of providing ambulatory care services to eligible Indians, all of the right, title, and interest in and to such facility (or portion thereof) shall transfer to the United States.”.

SEC. 304. INDIAN HEALTH CARE DELIVERY DEMONSTRATION PROJECT.

(a) AWARDING OF GRANTS.—Section 307(c) of the Act (25 U.S.C. 1637(c)(3)) is amended—

(2) in paragraph (3)(A)—

(A) by striking “The” and inserting “On or before September 30, 1995, the”; and

(B) by adding before the colon the following: “and for which a completed application has been received by the Secretary”; and

(3) by striking subparagraph (B) and inserting the following:

“(B) The Secretary may also enter into contracts or award grants under this section taking into consideration applications received under this section from all service areas. The Secretary may not award a greater number of such contracts or grants in one service area than in any other service area until there is an equal number of such contracts or grants awarded with respect to all service areas from which the Secretary receives applications during the application period (as determined by the Secretary) which meet the criteria specified in paragraph (1).”.

(b) REPORTS.—Section 307(h) of the Act (25 U.S.C. 1637(h)) is amended to read as follows:

“(h)(1) The Secretary shall submit to the President, for inclusion in the report which is required to be submitted to the Congress under section 801 for fiscal year 1997, an interim report on the findings and conclusions derived from the demonstration projects established under this section.

“(2) The Secretary shall submit to the President, for inclusion in the report which is required to be submitted to the Congress under section 801 for fiscal year 1999, a final report on the findings and conclusions derived from the demonstration projects established under this section, together with legislative recommendations.”.

SEC. 305. EXPENDITURE OF NONSERVICE FUNDS FOR RENOVATION.

Section 305 of the Act (25 U.S.C. 1634) is amended to read as follows:

“EXPENDITURE OF NONSERVICE FUNDS FOR RENOVATION

“SEC. 305. (a)(1) Notwithstanding any other provision of law, the Secretary is authorized to accept any major renovation or modernization by any Indian tribe of any Service facility, or of any other Indian health facility operated pursuant to a contract entered into under the Indian Self-Determination Act, including—

“(A) any plans or designs for such renovation or modernization; and

“(B) any renovation or modernization for which funds appropriated under any Federal law were lawfully expended, but only if the requirements of subsection (b) are met.

“(2) The Secretary shall maintain a separate priority list to address the needs of such facilities for personnel or equipment.

“(3) The Secretary shall submit to the President, for inclusion in each report required to be transmitted to the Congress under section 801, the priority list maintained pursuant to paragraph (2).

Reports.

“(b) The requirements of this subsection are met with respect to any renovation or modernization if—

“(1) the tribe or tribal organization—

“(A) provides notice to the Secretary of its intent to renovate or modernize; and

“(B) applies to the Secretary to be placed on a separate priority list to address the needs of such new facilities for personnel or equipment; and

“(2) the renovation or modernization—

“(A) is approved by the appropriate area director of the Service; and

“(B) is administered by the tribe in accordance with the rules and regulations prescribed by the Secretary with respect to construction or renovation of Service facilities.

“(c) If any Service facility which has been renovated or modernized by an Indian tribe under this section ceases to be used as a Service facility during the 20-year period beginning on the date such renovation or modernization is completed, such Indian tribe shall be entitled to recover from the United States an amount which bears the same ratio to the value of such facility at the time of such cessation as the value of such renovation or modernization (less the total amount of any funds provided specifically for such facility under any Federal program that were expended for such renovation or modernization) bore to the value of such

facility at the time of the completion of such renovation or modernization.”.

SEC. 308. BUY AMERICAN REQUIREMENT.

Title III of the Act (as amended by section 307 of this Act) is amended by adding at the end the following new section:

“APPLICABILITY OF BUY AMERICAN REQUIREMENT

25 USC 1638b.

“SEC. 310. (a) The Secretary shall ensure that the requirements of the Buy American Act apply to all procurements made with funds provided pursuant to the authorization contained in section 309.

Reports.

“(b) The Secretary shall submit to the Congress a report on the amount of procurements from foreign entities made in fiscal years 1993 and 1994 with funds provided pursuant to the authorization contained in section 309. Such report shall separately indicate the dollar value of items procured with such funds for which the Buy American Act was waived pursuant to the Trade Agreement Act of 1979 or any international agreement to which the United States is a party.

“(c) If it has been finally determined by a court or Federal agency that any person intentionally affixed a label bearing a ‘Made in America’ inscription, or any inscription with the same meaning, to any product sold in or shipped to the United States that is not made in the United States, such person shall be ineligible to receive any contract or subcontract made with funds provided pursuant to the authorization contained in section 309, pursuant to the debarment, suspension, and ineligibility procedures described in sections 9.400 through 9.409 of title 48, Code of Federal Regulations.

“(d) For purposes of this section, the term “Buy American Act” means title III of the Act entitled “An Act making appropriations for the Treasury and Post Office Departments for the fiscal year ending June 30, 1934, and for other purposes”, approved March 3, 1933 (41 U.S.C. 10a et seq.).”.

TITLE IV—ACCESS TO HEALTH SERVICES

SEC. 401. TREATMENT OF PAYMENTS TO INDIAN HEALTH SERVICE FACILITIES UNDER MEDICARE AND MEDICAID PROGRAMS.

(a) MEDICARE PROGRAM.—Section 401 of the Act (42 U.S.C. 1395qq note) is amended to read as follows:

“TREATMENT OF PAYMENTS UNDER MEDICARE PROGRAM

“SEC. 401. (a) Any payments received by a hospital or skilled nursing facility of the Service (whether operated by the Service or by an Indian tribe or tribal organization pursuant to a contract under the Indian Self-Determination Act) for services provided to Indians eligible for benefits under title XVIII of the Social Security Act shall not be considered in determining appropriations for health care and services to Indians.

25 USC 1641.

“(b) Nothing in this Act authorizes the Secretary to provide services to an Indian beneficiary with coverage under title XVIII of the Social Security Act, as amended, in preference to an Indian beneficiary without such coverage.”.

(b) MEDICAID PROGRAM.—(1) Section 402 of the Act is amended to read as follows:

“TREATMENT OF PAYMENTS UNDER MEDICAID PROGRAM

“SEC. 402. (a) Notwithstanding any other provision of law, payments to which any facility of the Service (including a hospital, nursing facility, intermediate care facility for the mentally retarded, or any other type of facility which provides services for which payment is available under title XIX of the Social Security Act) is entitled under a State plan by reason of section 1911 of such Act shall be placed in a special fund to be held by the Secretary and used by him (to such extent or in such amounts as are provided in appropriation Acts) exclusively for the purpose of making any improvements in the facilities of such Service which may be necessary to achieve compliance with the applicable conditions and requirements of such title. In making payments from such fund, the Secretary shall ensure that each service unit of the Service receives at least 80 percent of the amounts to which the facilities of the Service, for which such service unit makes collections, are entitled by reason of section 1911 of the Social Security Act.

25 USC 1642.

“(b) Any payments received by such facility for services provided to Indians eligible for benefits under title XIX of the Social Security Act shall not be considered in determining appropriations for the provision of health care and services to Indians.”.

(2) The increase (from 50 percent) in the percentage of the payments from the fund to be made to each service unit of the Service specified in the amendment made by paragraph (1) shall take effect beginning with payments made on January 1, 1993.

"SEC. 702. (a) COMPREHENSIVE PREVENTION AND TREATMENT PROGRAM.—(1) The Secretary, acting through the Service, shall provide a program of comprehensive alcohol and substance abuse prevention and treatment which shall include—

25 USC 1665a.

“(A) prevention, through educational intervention, in Indian communities;

“(B) acute detoxification and treatment;

“(C) community-based rehabilitation;

“(D) community education and involvement, including extensive training of health care, educational, and community-based personnel; and

“(E) residential treatment programs for pregnant and post partum women and their children.

“(2) The target population of such program shall be members of Indian tribes. Efforts to train and educate key members of the Indian community shall target employees of health, education, judicial, law enforcement, legal, and social service programs.

“(b) CONTRACT HEALTH SERVICES.—(1) The Secretary, acting through the Service, may enter into contracts with public or private providers of alcohol and substance abuse treatment services for the purpose of assisting the Service in carrying out the program required under subsection (a).

“(2) In carrying out this subsection, the Secretary shall provide assistance to Indian tribes to develop criteria for the certification of alcohol and substance abuse service providers and accreditation of service facilities which meet minimum standards for such services and facilities as may be determined pursuant to section 4205(a)(3) of the Indian Alcohol and Substance Abuse Prevention and Treatment Act of 1986 (25 U.S.C. 2411(a)(3)).

“(c) GRANTS FOR MODEL PROGRAM.—(1) The Secretary, acting through the Service shall make a grant to the Standing Rock Sioux Tribe to develop a community-based demonstration project to reduce drug and alcohol abuse on the Standing Rock Sioux Reservation and to rehabilitate Indian families afflicted by such abuse.

“(2) Funds shall be used by the Tribe to—

“(A) develop and coordinate community-based alcohol and substance abuse prevention and treatment services for Indian families;

“(B) develop prevention and intervention models for Indian families;

“(C) conduct community education on alcohol and substance abuse; and

“(D) coordinate with existing Federal, State, and tribal services on the reservation to develop a comprehensive alcohol and substance abuse program that assists in the rehabilitation of Indian families that have been or are afflicted by alcoholism.

“(3) The Secretary shall submit to the President for inclusion in the report to be transmitted to the Congress under section 801 for fiscal year 1995 an evaluation of the demonstration project established under paragraph (1).

Reports.

"INDIAN WOMEN TREATMENT PROGRAMS

"SEC. 703. (a) The Secretary may make grants to Indian tribes and tribal organizations to develop and implement a comprehensive

25 USC 1665b.

alcohol and substance abuse program of prevention, intervention, treatment, and relapse prevention services that specifically addresses the cultural, historical, social, and child care needs of Indian women, regardless of age.

“(b) Grants made pursuant to this section may be used to—

“(1) develop and provide community training, education, and prevention programs for Indian women relating to alcohol and substance abuse issues, including fetal alcohol syndrome and fetal alcohol effect;

“(2) identify and provide appropriate counseling, advocacy, support, and relapse prevention to Indian women and their families; and

“(3) develop prevention and intervention models for Indian women which incorporate traditional healers, cultural values, and community and family involvement.

“(c) The Secretary shall establish criteria for the review and approval of applications for grants under this section.

“(d)(1) There are authorized to be appropriated to carry out this section \$10,000,000 for fiscal year 1993 and such sums as are necessary for each of the fiscal years 1994, 1995, 1996, 1997, 1998, 1999, and 2000.

“(2) Twenty percent of the funds appropriated pursuant to this subsection shall be used to make grants to urban Indian organizations funded under title V.

“INDIAN HEALTH SERVICE YOUTH PROGRAM

25 USC 1665c.

Arizona.
California.

“SEC. 704. (a) DETOXIFICATION AND REHABILITATION.—The Secretary shall develop and implement a program for acute detoxification and treatment for Indian youth who are alcohol and substance abusers. The program shall include regional treatment centers designed to include detoxification and rehabilitation for both sexes on a referral basis. These regional centers shall be integrated with the intake and rehabilitation programs based in the referring Indian community.

“(b) TREATMENT CENTERS OR FACILITIES.—(1) The Secretary shall construct, renovate, or, as necessary, purchase, and appropriately staff and operate, a youth regional treatment center in each area under the jurisdiction of an area office. For the purposes of this subsection, the area offices of the Service in Tucson and Phoenix, Arizona, shall be considered one area office and the area office in California shall be considered to be two area offices, one office whose jurisdiction shall be considered to encompass the northern area of the State of California, and one office whose jurisdiction shall be considered to encompass the remainder of the State of California.

“(2) For the purpose of staffing and operating such centers or facilities, funding shall be pursuant to the Act of November 2, 1921 (25 U.S.C. 13).

“(3) A youth treatment center constructed or purchased under this subsection shall be constructed or purchased at a location within the area described in paragraph (1) agreed upon (by appropriate tribal resolution) by a majority of the tribes to be served by such center.

“(4)(A) Notwithstanding any other provision of this title, the Secretary may, from amounts authorized to be appropriated for the purposes of carrying out this section, make funds available to—

“(i) the Tanana Chiefs Conference, Incorporated, for the purpose of leasing, constructing, renovating, operating and maintaining a residential youth treatment facility in Fairbanks, Alaska; and

“(ii) the Southeast Alaska Regional Health Corporation to staff and operate a residential youth treatment facility without regard to the proviso set forth in section 4(l) of the Indian Self-Determination and Education Assistance Act (25 U.S.C. 450b(l)).

“(B) Until additional residential youth treatment facilities are established in Alaska pursuant to this section, the facilities specified in subparagraph (A) shall make every effort to provide services to all eligible Indian youth residing in such State.

Alaska.

“(c) FEDERALLY OWNED STRUCTURES.—

“(1) The Secretary, acting through the Service, shall, in consultation with Indian tribes—

“(A) identify and use, where appropriate, federally owned structures suitable as local residential or regional alcohol and substance abuse treatment centers for Indian youth; and

“(B) establish guidelines for determining the suitability of any such federally owned structure to be used as a local residential or regional alcohol and substance abuse treatment center for Indian youth.

“(2) Any structure described in paragraph (1) may be used under such terms and conditions as may be agreed upon by the Secretary and the agency having responsibility for the structure.

“(d) REHABILITATION AND AFTERCARE SERVICES.—

“(1) The Secretary, in cooperation with the Secretary of the Interior, shall develop and implement within each Service service unit community-based rehabilitation and follow-up services for Indian youth who are alcohol or substance abusers which are designed to integrate long-term treatment and to monitor and support the Indian youth after their return to their home community.

“(2) Services under paragraph (1) shall be administered within each service unit by trained staff within the community who can assist the Indian youth in continuing development of self-image, positive problem-solving skills, and nonalcohol or substance abusing behaviors. Such staff shall include alcohol and substance abuse counselors, mental health professionals, and other health professionals and paraprofessionals, including community health representatives.

“(e) INCLUSION OF FAMILY IN YOUTH TREATMENT PROGRAM.—

In providing the treatment and other services to Indian youth authorized by this section, the Secretary shall provide for the inclusion of family members of such youth in the treatment programs or other services as may be appropriate. Not less than 10 percent of the funds appropriated for the purposes of carrying out subsection (d) shall be used for outpatient care of adult family members related to the treatment of an Indian youth under that subsection.

“(f) MULTIDRUG ABUSE STUDY.—(1) The Secretary shall conduct a study to determine the incidence and prevalence of the abuse of multiple forms of drugs, including alcohol, among Indian youth residing on Indian reservations and in urban areas and the inter-

Reports.

relationship of such abuse with the incidence of mental illness among such youth.

“(2) The Secretary shall submit a report detailing the findings of such study, together with recommendations based on such findings, to the Congress no later than two years after the date of the enactment of this section.

“TRAINING AND COMMUNITY EDUCATION

25 USC 1665d.

“SEC. 705. (a) COMMUNITY EDUCATION.—The Secretary, in cooperation with the Secretary of the Interior, shall develop and implement within each service unit a program of community education and involvement which shall be designed to provide concise and timely information to the community leadership of each tribal community. Such program shall include education in alcohol and substance abuse to political leaders, tribal judges, law enforcement personnel, members of tribal health and education boards, and other critical members of each tribal community.

“(b) TRAINING.—The Secretary shall, either directly or by contract, provide instruction in the area of alcohol and substance abuse, including instruction in crisis intervention and family relations in the context of alcohol and substance abuse, youth alcohol and substance abuse, and the causes and effects of fetal alcohol syndrome to appropriate employees of the Bureau of Indian Affairs and the Service, and to personnel in schools or programs operated under any contract with the Bureau of Indian Affairs or the Service, including supervisors of emergency shelters and halfway houses described in section 4213 of the Indian Alcohol and Substance Abuse Prevention and Treatment Act of 1986 (25 U.S.C. 2433).

“(c) COMMUNITY-BASED TRAINING MODELS.—In carrying out the education and training programs required by this section, the Secretary, acting through the Service and in consultation with tribes and Indian alcohol and substance abuse prevention experts, shall develop and provide community-based training models. Such models shall address—

“(1) the elevated risk of alcohol and substance abuse faced by children of alcoholics;

“(2) the cultural and multigenerational aspects of alcohol and substance abuse prevention and recovery; and

“(3) community-based and multidisciplinary strategies for preventing and treating alcohol and substance abuse.

“GALLUP ALCOHOL AND SUBSTANCE ABUSE TREATMENT CENTER

25 USC 1665e.

“SEC. 706. (a) GRANTS FOR RESIDENTIAL TREATMENT.—The Secretary shall make grants to the Navajo Nation for the purpose of providing residential treatment for alcohol and substance abuse for adult and adolescent members of the Navajo Nation and neighboring tribes.

“(b) PURPOSES OF GRANTS.—Grants made pursuant to this section shall (to the extent appropriations are made available) be used to—

“(1) provide at least 15 residential beds each year for adult long-term treatment, including beds for specialized services such as polydrug abusers, dual diagnosis, and specialized services for women with fetal alcohol syndrome children;

“(2) establish clinical assessment teams consisting of a clinical psychologist, a part-time addictionologist, a master’s

level assessment counselor, and a certified medical records technician which shall be responsible for conducting individual assessments and matching Indian clients with the appropriate available treatment;

“(3) provide at least 12 beds for an adolescent sheltered program in the city of Gallup, New Mexico, which shall serve as a satellite facility to the Acoma/Canoncito/Laguna Hospital and the adolescent center located in Shiprock, New Mexico, for emergency crisis services, assessment, and family intervention;

New Mexico.

“(4) develop a relapse program for the purposes of identifying sources of job training and job opportunity in the Gallup area and providing vocational training, job placement, and job retention services to recovering substance abusers; and

“(5) provide continuing education and training of treatment staff in the areas of intensive outpatient services, development of family support systems, and case management in cooperation with regional colleges, community colleges, and universities.

“(c) CONTRACT FOR RESIDENTIAL TREATMENT.—The Navajo Nation, in carrying out the purposes of this section, shall enter into a contract with an institution in the Gallup, New Mexico, area which is accredited by the Joint Commission of the Accreditation of Health Care Organizations to provide comprehensive alcohol and drug treatment as authorized in subsection (b).

New Mexico.

“(d) AUTHORIZATION OF APPROPRIATIONS.—There are authorized to be appropriated—

“(1) to carry out the purposes of subsection (b)(1)—

- “(A) \$400,000 for fiscal year 1993;
- “(B) \$400,000 for fiscal year 1994; and
- “(C) \$500,000 for fiscal year 1995;

“(2) to carry out the purposes of subsection (b)(2)—

- “(A) \$100,000 for fiscal year 1993;
- “(B) \$125,000 for fiscal year 1994; and
- “(C) \$150,000 for fiscal year 1995;

“(3) to carry out the purposes of subsection (b)(3)—

tribe has the administrative and financial capabilities necessary to complete the timely acquisition or construction of the health facility described in paragraph (1).

“(3) An Indian tribe or tribal organization that has entered into a written agreement with the Secretary under this subsection, and that breaches or terminates without cause such agreement, shall be liable to the United States for the amount that has been paid to the tribe, or paid to a third party on the tribe's behalf, under the agreement. The Secretary has the right to recover tangible property (including supplies), and equipment, less depreciation, and any funds expended for operations and maintenance under this section. The preceding sentence does not apply to any funds expended for the delivery of health care services, or for personnel or staffing, shall be recoverable.”.

SEC. 809. HOME AND COMMUNITY BASED CARE DEMONSTRATION PROJECT.

Title VIII of the Act (as redesignated by subsections (a) and (b) of section 701 of this Act) is amended by adding at the end the following new section:

“HOME- AND COMMUNITY-BASED CARE DEMONSTRATION PROJECT

“**SEC. 821.** (a) The Secretary, acting through the Service, is authorized to enter into contracts with, or make grants to, Indian tribes or tribal organizations providing health care services pursuant to a contract entered into under the Indian Self-Determination Act, to establish demonstration projects for the delivery of home- and community-based services to functionally disabled Indians.

25 USC 1680k.

“(b)(1) Funds provided for a demonstration project under this section shall be used only for the delivery of home- and community-based services (including transportation services) to functionally disabled Indians.

“(2) Such funds may not be used—

“(A) to make cash payments to functionally disabled Indians;

“(B) to provide room and board for functionally disabled Indians;

“(C) for the construction or renovation of facilities or the purchase of medical equipment; or

“(D) for the provision of nursing facility services.

“(c) Not later than 180 days after the date of the enactment of this section, the Secretary, after consultation with Indian tribes and tribal organizations, shall develop and issue criteria for the approval of applications submitted under this section. Such criteria shall ensure that demonstration projects established under this section promote the development of the capacity of tribes and tribal organizations to deliver, or arrange for the delivery of, high quality, culturally appropriate home- and community-based services to functionally disabled Indians;

“(d) The Secretary shall provide such technical and other assistance as may be necessary to enable applicants to comply with the provisions of this section.

“(e) At the discretion of the tribe or tribal organization, services provided under a demonstration project established under this section may be provided (on a cost basis) to persons otherwise ineligible for the health care benefits of the Service.

“(f) The Secretary shall establish not more than 24 demonstration projects under this section. The Secretary may not establish a greater number of demonstration projects under this section in one service area than in any other service area until there is an equal number of such demonstration projects established with respect to all service areas from which the Secretary receives applications during the application period (as determined by the Secretary) which meet the criteria issued pursuant to subsection (c).

Reports.

“(g) The Secretary shall submit to the President, for inclusion in the report which is required to be submitted under section 801 for fiscal year 1999, a report on the findings and conclusions derived from the demonstration projects conducted under this section, together with legislative recommendations.

“(h) For the purposes of this section, the following definitions shall apply:

“(1) The term ‘home- and community-based services’ means one or more of the following:

- “(A) Homemaker/home health aide services.
- “(B) Chore services.
- “(C) Personal care services.
- “(D) Nursing care services provided outside of a nursing facility by, or under the supervision of, a registered nurse.
- “(E) Respite care.
- “(F) Training for family members in managing a functionally disabled individual.
- “(G) Adult day care.

“(H) Such other home- and community-based services as the Secretary may approve.

“(2) The term ‘functionally disabled’ means an individual who is determined to require home- and community-based services based on an assessment that uses criteria (including, at the discretion of the tribe or tribal organization, activities of daily living) developed by the tribe or tribal organization.

“(i) There are authorized to be appropriated for each of the fiscal years 1993, 1994, 1995, 1996, and 1997 such sums as may be necessary to carry out this section. Such sums shall remain available until expended.”.

SEC. 810. SHARED SERVICES DEMONSTRATION PROJECTS.

Title VIII of the Act (as redesignated by subsections (a) and (b) of section 701 and amended by section 809 of this Act) is amended by adding at the end the following new section:

“SHARED SERVICES DEMONSTRATION PROJECT

25 USC 1680*l*.

“SEC. 822. (a) The Secretary, acting through the Service and notwithstanding any other provision of law, is authorized to enter into contracts with Indian tribes or tribal organizations to establish not more than 6 shared services demonstration projects for the delivery of long-term care to Indians. Such projects shall provide for the sharing of staff or other services between a Service facility and a nursing facility owned and operated (directly or by contract) by such Indian tribe or tribal organization.

“(b) A contract entered into pursuant to subsection (a)—

“(1) may, at the request of the Indian tribe or tribal organization, delegate to such tribe or tribal organization such

powers of supervision and control over Service employees as the Secretary deems necessary to carry out the purposes of this section;

“(2) shall provide that expenses (including salaries) relating to services that are shared between the Service facility and the tribal facility be allocated proportionately between the Service and the tribe or tribal organization; and

“(3) may authorize such tribe or tribal organization to construct, renovate, or expand a nursing facility (including the construction of a facility attached to a Service facility), except that no funds appropriated for the Service shall be obligated or expended for such purpose.

“(c) To be eligible for a contract under this section, a tribe or tribal organization, shall, as of the date of the enactment of this Act—

“(1) own and operate (directly or by contract) a nursing facility;

“(2) have entered into an agreement with a consultant to develop a plan for meeting the long-term needs of the tribe or tribal organization; or

“(3) have adopted a tribal resolution providing for the construction of a nursing facility.

“(d) Any nursing facility for which a contract is entered into under this section shall meet the requirements for nursing facilities under section 1919 of the Social Security Act.

“(e) The Secretary shall provide such technical and other assistance as may be necessary to enable applicants to comply with the provisions of this section.

“(f) The Secretary shall submit to the President, for inclusion in each report required to be transmitted to the Congress under section 801, a report on the findings and conclusions derived from the demonstration projects conducted under this section.”.

SEC. 811. RESULTS OF DEMONSTRATION PROJECTS.

Title VIII of the Act (as redesignated by subsections (a) and (b) of section 701 and amended by section 810 of this Act) is amended by adding at the end the following new section:

“RESULTS OF DEMONSTRATION PROJECTS

“SEC. 823. The Secretary shall provide for the dissemination to Indian tribes of the findings and results of demonstration projects conducted under this Act.”.
